

Grover

GROVER SONS

Grover Sons is over 75 years old quality company, and is a recognized Trading House, certified by Government of India. We are engaged in processing, supplying & exporting a wide range of Indian Spices, Seeds & Oilseeds. The spices seeds & oilseeds are processed using advanced Buhler Cleaning, Grading & Sortex System

We offer these spices in various customized packaging that allows us to meet the specific requirements of our clients. Further, our expertise also allows us to undertake contract manufacturing, private labeling and contract packaging for our clients.

Our tie-ups with reputed suppliers help us to cater to the requirements of clients based in different countries such as Europe, Australia, Canada, U.S.A., Mexico, China, Russia, South Africa, Brazil & many more. For hygienic processing of our range, we have developed a dedicate tie-up with hulling and cleaning unit, which are ISO & HACCP certified, Third party Audit. The Company has a separate packaging unit where we pack our range using jute bags, polypropylene and multi-layer paper-bags with inner liner and also Jumbo Bags.

Our ethical policies, streamlined business activities and strict adherence with quality have gained us certifications such as 2nd Highest export Award for Natural & Hulled Sesame Seeds, Certificate for Excellence in Export of Niger Seeds, Mustard Seeds and Certificate of Merit for record exports of Spices, year after year.

With the blessings of Late Mr. Madanlal N.Grover (Founder of Grover Sons), we have quickly developed as a market leader. Based on his sharp business expertise and futuristic approach, we have explored new avenues of growth and efficiently catered to our customers requirements. Our reputed suppliers who are equipped with advanced and automatic machineries that completely eliminate the human error also support us and the processing is done under the most hygienic conditions.

Spicing up the world for over 75 Years

It is owing to the relentless and untiring efforts of our founder- Mr. Madanlal N.Grover that we are able to meet the emerging requirements of the clients. His single-minded commitment of quality and service helped us to cater to the needs of the global markets. The company incorporated several modern techniques like steam sterilization without compromising on the tradition approach, which helped us in progressing tremendously and withstanding any undesirable phenomenon taking place in the market.

Devoted to Excellence

Due to the diversification and innovation in our processing facilities and superior quality range of Indian Spices, We have accorded the status of a Star Trading House by the Ministry of Commerce, Government of India. The Spices Board, Kochi has also honoured us for our record export of Spices. We are exporting over 10,000 Tons of Sesame Seeds every year due to our consistent quality and safety records and standards, at par with best in the Trade.
